

### **In case**

We use *in case* to introduce the reason why you take a precaution.

*I placed the file on your desk **in case** you need it.*

*We will bring a laptop **in case** we have to check something online.*

*We should aim to get there early **in case** there are a lot of participants.*

! *In case* has a different meaning from *if*.

*I'll come to the launching event early **in case** you want my help.*

(= I'll be there because you might want my help.)

*I'll come to our launching event early **if** you want my help.*

(= I'll only come if you say you want me to be there.)

### **Provided / providing that, as long as, only if, and on condition that**

*Provided / providing (that), as long as, only if, and on condition that* can be used instead of *if* when there is a restriction.

*Kmart can give refunds **provided (that)** you have the receipt.*

*The management will realize that we haven't really been negligent **as long as** they know all the facts.*

*The new tablet will **only** be withdrawn from the market **if** a fault is found.*

*Ms. Spears accepted the job **on condition that** she could have a company car.*
