

## Reading Comprehension

*Read the following poster to review the vocabulary you have learned.*

### **Lost Puppy**

Please help us find our puppy. She has been missing for two days. Her name is Potato Chip. She is small and white with brown spots. She is about six months old. She was last seen running through the park on Elm Street. She is very friendly and will come to you if you call her name. If you find her, please call us at 555-9837. A small reward is available.

**You can see the whole lesson from your teacher, please ask them to send it to you before the class.**
