

Summer in Zambales

by Alce Lyn U. Miranda

Dear Diary,

I really like visiting my aunts in San Felipe, Zambales during summer vacation. We board a bus going to Zambales. It is a five-hour travel. The passengers do not get bored because the bus plays movies. I always like to sit beside the window. I get to see the perfect view of the fields.

My aunt always pick us up at the bus stop. The bus stop is across the town market. It is the cleanest market in Zambales.
