

## Indispensable Employees

---

### Starter:

Do you agree or disagree? Why?

1. My boss is good at what he/she does.
2. In the past, I have worked under a terrible boss.
3. I have worked with someone who has caused problems.
4. I have worked with someone who has deliberately caused problems.
5. In the past month, I have caused at least one problem at work.

### Vocabulary:

To **swoop** is to move downward quickly and dramatically

If you **relinquish** something, you let it go or give up.

If something is slowly and secretly causing harm, it's **insidious** — like the rumors no one seems to listen to until suddenly someone's reputation is ruined.

A **glitch** is a problem, fault or malfunction, usually a temporary one, in a system or machine.

**Fictitious** means made up, or imaginary.

**Prevalence** means there is a lot of something, being widespread.

**Indispensable** is a strong adjective for something that you couldn't do without.
