

Idiomatic Expressions

What are idioms?

Definition

An idiom (also called idiomatic expression) is an expression, word, or phrase that has a figurative meaning conventionally understood by native speakers. This meaning is different from the literal meaning of the idiom's individual elements. In other words, idioms don't mean exactly what the words say. They have, however, hidden meaning.

Idioms about nature

This is a list of idioms about nature

- a breath of fresh air = said about a new, fresh, and imaginative approach, a change that feels good.
