

Animal Apps

Pre-Reading

Look at these pictures and answer these questions.

1. Which of these animals have you seen in real life? (This means you did not see them on television or on the Internet.)
2. Which ones do you think are most intelligent? Why do you think this?
3. Which of these animals are endangered? Why are they endangered?

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
