

Grammar Exercises

1) Dino has a problem at the bank. Read what the teller told him.

"There isn't enough funds in your account to cover your check, so now you have a negative balance in your checking account. That charge on your statement is the overdrawn balance charge. Your deposit only covers the amount of the last check. The deposit doesn't cover the overdrawn balance charge. Your balance is still in the red. You'll be charged each day until the balance is in the black."

After Dino left the bank he told a friend what the teller said. Complete the sentences with the correct verb.

The teller said there 1 wasn't enough money in my account to cover my check. He said now I 2 _____ a negative balance in my checking account. He told me that the charge on my statement 3 _____ the overdrawn balance charge. He said my deposit only 4 _____ the amount of the last check. He said the deposit 5 _____ the overdrawn balance charge. He told me my balance 6 _____ still in the red. He said I 7 _____ be charged each day until the balance is in the black.
