

Certainty and Uncertainty

Practice the Conversations of This Topic with your Teacher

Instruction:

- send the listening link to the student and let her/him listen twice
- Student have to write the script correctly, tell the student whether she / he is Person A or B
- If the student chooses to be Person A, then he/she has to write the script
- It's better to send the listening link before your class.
- Practice the conversation during your class.

This Listening class is divided into 3 conversation. Please copy the link and you can start the listening right away.

<http://www.eslfast.com/robot/topics/employment/employment22.htm>

- After the listening activity, generate some questions regarding the activity
- you can give the script so that the student can practice it on his / her own.

You can see the whole lesson from your teacher, please ask them to send it to you before the class.
